2023 Van Wert Co. Fair Local Food Vendor Ticket Program

The Van Wert County Agricultural Society, in appreciation for what our local non-profit Organizations and Schools do to help make our Fair one of the best around, would like to offer your Organization or School the opportunity to purchase a Season ticket for the individuals who sign up to help work your food stand.

Here's how it works:

Anyone who signs up to work at least one shift at your food stand will be eligible to purchase a Season ticket for \$12.50 (Regularly \$25). They must work at least one shift.

We need the list of names from your Organization or School and we will generate the ticket and send it to the individual either by text, email or print a hard copy for them (we'll need their phone number or email to send them electronically).

We will then invoice your Organization or School for the amount due.

Anyone who signs up and does not follow through on their commitment to your club could have their pass revoked. If there are several who try to "take advantage" of this offer and not follow through to help the Organization or School they signed up to help, this may cause the Van Wert Co. Agricultural Society to discontinue this offer for future years and or void the passes of those who are taking advantage of this opportunity.

It is our hope that this will generate additional interest in finding folks to help out. The ticket is good for admission to the Fair all week long. If you have any questions, please give us a call at 419-238-9270.

Thank You for your Participation in the 167th Van Wert County Fair!
